

Class 28 Terraform Working

Ye Map kya Hota hai??

3 resource Block represents 3 resource Banega in cloud

Terraform Inta samajhdar kiese hai??

Baar baar block p block copy karna pad rha hai ..baut dard hai??

Dependency??

Code Hi Satya hai

Banana hai toh Block add karenge

ghatana hai toh Block hata denge

destroy - Destroy previously-created infrastructure

Kabhi bhi aap Production me Destroy comand nhi use karonge
